NOTICE TO NEW MEMBERS. The new membership year will begin May 1, 1985. Those who join during any month of that new year will receive all Quarterlys that have been published that year.

The Muskogee County Genealogical Society and the Board of Directors do not assume responsibility for errors of fact or judgment on the part of the contributor. Society policy now requires that any material used for "File 13" or anyother such possible controversial matter submitted, must carry the source of the item and the contributors name.

The Society is attempting to clear up confusing Quarterly numbering and other mistakes in its form and presentation that were made during our first year. Pages from this Quarterly on, will be numbered in sequence with each issue. Some have noted a mistake in the numbering of issues during the 1st year. This also has now been corrected.

LETTER FROM THE PRESIDENT

Dear Members,

The Muskogee Public Library Board agreed at their December meeting that they would purchase the 1900 & 1910 Soundex(Mira-code) and the 1900 & 1910 Census for Oklahoma, at a cost of \$2083.88. They then ask the Muskogee County Genealogical Society if they could raise \$414.00 to help in the purchase of the above material. At our December meeting we voted and agreed to take \$125.00, from our funds and members would make donations to obtain the rest. As of this time we still need donations to reach this goal. The \$414.00 will purchase 10 rolls of the 1900 Census, and 36 rolls of the 1910. The Library feels that this material is necessary for them to answer the request for Census information, averaging 15-20 per week, or 3-4 per day. We would like to thank the following for donations given to this date: Carole Ellsworth; Mickey Hagan; Wilma Bloom; Deone Penquite; Christine Hall; Betty Lou Acord; Louise Simpson; Oklahoma Walker; Alleece Leeds; Rae Lindsey; Zeb P. Jackson Jr.; Georgia Perkins; Rose Guthrie; Mary Cheeseman; and Mrs. W.E. Rowsey Jr.

Rae Lindsey - President

Dear Sirs, *Final Roll*
While researching my family tree I have run across a relative who was in the Creek Nation, U.S. Jail in 1900. I found the information in the 1900 Census. Could you please see if you can find any information on him and why he was in prison? I would greatly appreciate any information you find. If there is a fee, I'd gladly pay it. This is the mans name: *1700*
IVANHOE or IVENHOE, BIRD G. Prisoner in U.S. Jail Creek Nations, Muskogee. Thank you very much, "Janet Glidewell, Rt 1, Box 316, Medford, OK 73759. Not on Creek Roll"

Gentlemen,
"I would like information on your Society as do you have publications, memberships and the extent of your search. My ancestor, GEORGE THOMAS HAWS, lived in your area in the early 1900. I am interested in your collection of history of this area. I appreciate any information you will send. Thank You." Barbara Haws Angerman, P.O. Box 928, Wrangell, Alaska 99929.

TRACING GERMAN ANCESTRY THROUGH HAMBURG.

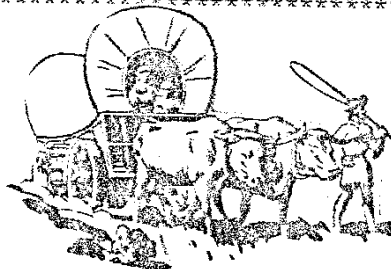

(Article Submitted by Louise Simpson-From New York Times News Service- 1984)

Thanks to modern methods of information retrieval, tracing ancestry is becoming easier. As an example take the Museum for Hamburg History, where Germany's first Historic Emigration Office has just been opened. There, visitors from North America can journey into the past, with the aid of microfilm files that store nearly five million names in a record of emigration from 1850-1914.

Hamburg was a major European port of embarkation for emigrants to the New World from many parts of Europe. German Emigration to America began 301 years ago. According to the Census Bureau, one in every four Americans has German ancestors.

At the Historic Emigration Office in Hamburg, visitors who provide their forefather's name and-as best they can-year of emigration will enable trained researchers to find the name of the ship that carried the emigrant and the date of departure. Results will be printed on an official certificate carrying the emigrants name and such personal data as age, occupation, marital status, number of children and home city.

The basic cost for the service is \$30, if the exact year of emigration is known. For each additional year that is searched the fee rises by \$10. "Come Trace Your Roots in Hamburg" brochure is available from either the German National Tourist Office, 630 Fifth Ave. New York, N.Y. 10020; 212-787-8570; or from the Hamburg North American Representation, 25 Broadway, Suite 911; New York, N.Y. 10040; 212-514-8220.

away shortly after I was born. I'm told there is a group in Tulsa for adopted people who want to find their real parents, Can you help me?" Mrs. C.Y. Tulsa.
Answer:

The Tulsa group is called Adult Adoptees, formed in 1974 by people in you situation. Its adress is ADULT ADOPTees, care of June Hill, 4952 E. 4th Place, Tulsa, Ok 74112. When you write include a self-addressed, stamped envelope.

Since you were born in Oklahoma, it can help if you find a district court judge willing to issue a court order to the State Health Department's vital records section ordering it to make you birth records available to you. Being adopted, you will have two birth certificates-one listing your real name and natural parents' names, and another made out to your adopted parents listing your adopted name. The group hasn't had much success in finding a Tulsa judge willing to issue such orders, but others outside of Tulsa have done so in the past.

The group charges nothing for its assistance, but getting a court order to open your records usually costs you plenty in attorney fees. You must be 21 or older to receive the groups help, and when you write for assistance, include as much information as you have about your history.

CHEROKEE RESEARCH RECORDS

Submitted by: Lulu Boggs

- 1835 CHEROKEE EMIGRATION ROLLS 1817-1835 (HENDERSON ROLL?): Contains the names of over 1600 heads of families of Cherokees who signed up to emigrate to the West under the treaties of 1817 and 1828. It also shows the number in the family, number of slaves, and place of residence in the East before emigration. THESE CHEROKEES LATER BECAME KNOWN AS "THE OLD SETTLER CHEROKEES."
At one time, it was published by the Baker Publishing Co., PO Bx 20951, Okla. City, OK 73120.
Microfilmed index is available (T-496, Roll No. 1) at: Federal Archives and Records Center, 501 Felix St., P. O. Bx 6216, Ft. Worth, TX 76115. Their staff cannot undertake research. The Ft. Worth Public Library, 9th and Throckmorton, Ft. Worth, TX 76102 can provide a list of people in the area who will do genealogical research for a fee.
Some libraries, historical societies, or the Cherokee Museum & Archives may have a copy.
- 1835 CENSUS OF CHEROKEES RESIDING IN ALABAMA, GEORGIA, NORTH CAROLINA, AND TENNESSEE. This census was made before the general removal in 1838-1839 to the West. It contains the names of the heads of families, numbers in the family, place of residence, and other information, such as number of readers of Cherokee and/or English, farmers, weavers, spinners, etc.
White men were the census takers. It is not known whether they had an interpreter present. It appears they wrote down what they thought they heard, consequently, some names were erroneously written. (For instance, the census includes letter sounds that were not used in the Cherokee language, and doesn't show some that were used.) 62 years afterwards, in 1897, a government office prepared a typewritten record from the original document. (There is a possibility this was the 3rd copy, as the original may have been immediately recopied.)
A book, "Those Who Cried", was arranged and indexed by James W. Tyner (and published by Chi-ga-u Inc. 1974). It was taken from the 1897 copy. It contains the names of the heads of families, number in the family, etc. (see above).
- 1848 Mullay Roll of Eastern Cherokees (ones who remained in the East). This is available at the Federal Archives in Ft. Worth (7RA-06, Roll No. 1).
- 1851 SILER ROLL & INDEX, EASTERN CHEROKEES (ones who remained in the East) This was printed in 1972 by Polyanthos. It is currently out of print.
Microfilm records are available at the Federal Archives, Ft. Worth: M-685, Roll No. 12; and 7RA-06, Roll No. 1.
- 1852 CHAPMAN ROLL OF EASTERN CHEROKEES (ones who remained in the East). It is available at Federal Archives, Ft. Worth: M-685, Roll No. 12.

1852 DRENNEN ROLL & INDEX OF "EMIGRANT CHEROKEES." This census was actually made in 1851, but has been called the 1852 roll because payment was made in 1852. It covers the Eastern Cherokees who came West after 1835 (Trail of Tears), and who were residing in Indian Territory (now Oklahoma) in 1851. It is arranged by the Districts of the Cherokee Nation. (NOTE: Some districts were later changed, such as: Skin Bayou became Sequoyah.) The families are listed by names in numbered groups. In some cases, the Eastern Cherokee Claim numbers (from the later Guion Miller Index) are listed in parenthesis beside the name(s).

This census has been published in a soft-cover book by Indian Nations Press (Mrs. Charlene Hook), 812 Mayo Building, Tulsa, OK 74103.

Microfilm is available at the Ft. Worth Federal Archives, M-685, Roll No. 12.

1867 TOMPKINS ROLL (I have no information on this roll).

It is available at the Ft. Worth Federal Archives: 7RA-04, Roll No. 1.

1867-1897 Freedmen Rolls and Indexes (includes Wallace Roll). (I have no information on these rolls).

They are available at Ft. Worth Federal Archives: 7RA-51, Roll No. 1 & 2.

1878-1889 Lists of claimants and Dockets of the Citizenship Commission. (I have no information on these data).

It is available at the Federal Archives, Ft. Worth: 7RA-25, Roll No. 1-4.

1880 CENSUS TAKEN BY THE CHEROKEE NATION in March 1880, to make a per capita payment of \$16.55 "for purchase of bread stuffs." The money from this payment was called "bread money" by the Cherokees. This roll was arranged by Cherokee Districts and thereunder by the following six schedules: (1) Cherokee citizens including Native, Adopted White, Shawnee, Delaware, and Freedmen, (2) Orphan's Roll under age 16, (3) Rejected Roll, (4) Individuals whose claims to citizenship were pending, (5) Intruders, and (6) Individuals living in the Cherokee Nation by permit. These schedules give the individual's name by family group and his roll number, race, occupation, age, and sex.

A printed copy of the 1880 Census was made for Schedules 1 and 2. This roll was arranged by Cherokee District and thereunder roughly alphabetically. It gives the name, roll number, race, age, and sex for each person. In addition to Schedules 1 and 2, this printed roll contains a schedule of North Carolina Cherokees who had removed to the Cherokee Nation West in the year 1881 under an act of the Cherokee National Council dated 12/3/1880.

When the bread money was actually paid, a per capita receipt roll was prepared by D. W. Lipe (LIPE ROLL), showing name of payee, number in family, total amount paid to family, name of person receiving payment, and name of witness to payment.

The microfilm of the Census and Index are located in the Ft. Worth Federal Archives, with the exception of Schedules 1 and 3 for the Cooweescoowee District, which are missing. The film

record Control Number is 7RA-07, Roll No. 1-4.

The Phillip's Collection of the University of Oklahoma has copies of Schedule 1 for most of the Districts.

Copies of the printed roll may be found in the Ft. Worth Federal Archives, Phillip's Collection of the University of Oklahoma, both the Library and Indian Archives of the Oklahoma Historical Society, Gilcrease Museum Library, and the Cherokee Museum and Archives.

The Lipe Receipt Roll is located in the Ft. Worth Federal Archives, 7RA-33, Roll No. 1-2.

A reprint of what appears to be the original printed Schedule 1 has been made by Chi-ga-u Inc., PO Bx 2241, Norman, OK 73069. (It does not have occupation, which was omitted on the original printed material, and does not have the Orphan's Roll.) This may now be out of print.

NOTE: This census was used by the Dawes Commission in the preparation of the "Final Rolls" of 1902. No Indian or intermarried white who was listed on this census was challenged by the Dawes Commission or the courts for enrollment on the Final Rolls. If a person was on the 1880 Census, a notation was made on his 1902 Census Card showing his location and the name by which he was enrolled on the 1880 Census.

1883

On 5/19/1883, the Cherokee National Council authorized a CENSUS to be taken on which to base per capita payments from money received as a result of leasing their Cherokee Outlet lands to the Cherokee Strip Livestock Association to use as grazing land for their cattle. This census is arranged by Cherokee Districts, an Orphan's Roll, National Prison List, and a Supplemental Roll of Citizens. It shows only the name and age for each individual.

The first payment of \$50 in silver was paid to the tribal treasury at Tahlequah on 10/1/1883. Lease was for five years at \$100,000 per year. A per capita payment of \$15.50 of the lease money was made in 1883 and was known as "Grass Money" to the Cherokees. The Receipt Roll for this payment shows the individual's name, roll number, total number in the household, total amount paid each household, name of person receiving the payment, and the name of the witness.

The Ft. Worth Federal Archives has (1) 1883 Census, 7RA-29, Roll No. 1; (2) 1883 Census (1897 copy with Sequoyah District missing) 7RA-56, Roll No. 1-2; and (3) Payment Roll 7RA-57, Roll No. 1-3.

1886

CENSUS; In 1886, another per capita payment was made of "Grass Money" of \$15.95. On 7/28/1897, the Cherokee National Council authorized a census roll to be made from the 1886 per capita receipt roll. This roll is arranged by Cherokee District and thereunder by household. It gives the name, age, total number in the household, and the relationship of each individual to the head of the household. This is the first Cherokee roll that gives the relationship to the head of the household. For this reason, it is quite valuable for Cherokee genealogical research.

It is available in the Ft. Worth Federal Archives: 7RA-58, Roll No. 1-2.

CHEROKEE RESEARCH RECORDS

- 1890 CENSUS (no index), Schedules 1-6. (I don't have any information on this census.) There is also a payment roll.
It is available in the Ft. Worth Federal Archives: 7RA-09, Roll No. 1-6. The Payment Roll is 7RA-59, Roll No. 1-2. There is another 1890 Payment Roll (1897 copy) which is 7RA-60, Roll No. 1-3.
- 1893 CENSUS (includes Delawares, Shawnees, and Freedmen). (I don't have information on this census.)
It is available in the Ft. Worth Federal Archives: 7RA-54, Roll No. 1-2.
- 1894 PAYMENT ROLL AND INDEX (STARR ROLL). (I don't have information on this roll.)
It is available in Ft. Worth Federal Archives: 7RA-38, Roll No. 1-5.
- 1896 OLD SETTLERS PAYMENT ROLL AND CENSUS: (I have secured information from this roll. It is arranged by District and shows: roll number, name, age, sex, degree of Indian blood, and place of birth.) It has an Index for the payment roll.
It is available in the Ft. Worth Federal Archives:
(1) Index to Payment Roll T-985, Roll No. 1; (2) Old Settlers Payment Roll 7RA-34, Roll No. 1; and (3) 1896 Census 7RA-19, Roll No. 1. (Index to the Census (not incl. Freedmen): 7RA-71, Roll No. 1.)
- 1900 CENSUS... "DAWES ROLL." Census cards were made up in the late 1800's and early 1900's. A card was made for each head of a family and contains: Roll number, name of family member(s), relationship, age, sex, blood, tribal enrollment (year-district-number), tribal enrollment of parents (names, year, and district), and data on prior rolls. Birth affidavits were required for "new borns." Each Census Card is numbered and show District residence, Post Office, Indian tribe. The Dawes Commission rolls were closed in the spring of 1906.
In order to find a "Dawes Roll", you need to know the name of an ancestor who was alive in 1906. Of course, the more information you have, the easier it will be to locate a record. This is a good starting point for genealogical research as it will give parents' names and information about prior rolls.
The 1907 Final Rolls Index is available in the Ft. Worth Federal Archives: M-1186, Roll No. 1.
At one time the Census and Index were printed in hard-cover books. These are available at the Cherokee Tribal Complex and at the Five Civilized Tribes Museum, Muskogee, Okla. 74401.
Census cards may be available at the BIA in Tahlequah or the Cherokee Tribal Complex.
the 1907 Index to Rejected Applications is available in Ft. Worth Federal Archives: 7RA-24, Roll No. 1.
- (1907)
- 1909 INDEX TO THE GUION MILLER ROLL (of Eastern Cherokee Applications to the U.S. Court of Claims). These applications were made by members of the Treaty and Removal Parties (Trail of Tears people) or their descendants, (i.e., persons living in Indian Territory and on the Drennen Roll census taken 1851.) The listing was completed in 1909 by Guion Miller; however, it contains names of

individuals with their ages as of 1906.

This is an extremely helpful piece of information, as it contains (if the applicant knew it!) the names of parents, grandparents, great grandparents, brothers and sisters, aunts and uncles. It also gives dates and places.

To obtain a photocopy of an "Application", send \$5 to the Cashier, National Archives (GSA), Washington D C 20408, Attention NNIR. You will need to know the name of your parent or grandparent as they were known in 1906 (1907), when they made the application. The \$5 fee will provide for a maximum of 9 copies from an application file(s). Any file(s) requested which total over 9 pages will be billed at a rate of \$0.50 per page. Check or money order should be made payable to the National Archives Trust Fund (NNIR), and addressed to the Cashier, as above.

The 1909 Index to the Guion Miller Roll is available in the Ft. Worth Federal Archives: M-685, Roll No. 1.

BOOKS:

1. Emmet Starr's "History of the Cherokee Indians and their Legends and Folk Lore". It contains over 300 pages of the genealogy of 39 prominent Cherokee families. He began his work on this book in 1894, and the largest amount of his research on the families was done before 1902, altho it wasn't published until 1921.

The original copy is out of print. A reprint can be obtained from Kraus Reprint Co., Route 100, Millwood, New York 10546 for \$54.50 (price 12/1983).

There are some errors in the book, but, these are generally omissions of family members (rather than giving the wrong information) and typographical errors. (He was rushed in the final proof reading.)

An index to Starr's book was prepared by the late J. J. Hill of Norman, OK, for the genealogical section. It was printed under the title "Old Cherokee Families." It may still be available from J. J. Hill Publishers, Inc., PO Bx 2310, Norman, OK 73070. (It is not mandatory--book can be used without it.)

2. "Our People and Where They Rest", by James W. Tyner and Alice Tyner Timmons. This records information from graves in cemeteries located in the Old Cherokee Nation area of northeastern Oklahoma. So far, there are 11 volumes. It (the set) can be obtained from the Five Civilized Tribes Museum, Muskogee, Okla.

MILITARY RECORDS IN NATIONAL ARCHIVES: National Archives has records of the Cherokee allies in the Creek War of 1813-14. It is filed under "War of 1812". It must be requested on National Archives Trust Fund form NATF Form 80 (1-84). Do not send money with the request. N.A. will notify you if the record is found and you will then need to remit \$5 for a copy. They will research only one record per form. Their address is Military Service Branch (NNMS), National Archives and Records Service, 8th and Pennsylvania Avenue, NW, Washington D C 20408. Request for forms goes to the same address but to the Reference Services Branch (NNIR).
